F. APPLICATION DATA

As Accountable Manager of the Organization, I declare that the documentation provided defines the operation for which the approval is requested.

Once this application is approved, I undertake to ensure that all operations and activities will be provided in accordance with the requirement of current legislation in this area.

If after the approval aircraft fails to meet any requirement temporarily, without loss of airworthy condition for another type of operation, it will not be operated as RNAV, a fact that will be reported to the CAC of RA.

<i>Name of the Accountable Manager</i>	<i>Signature of Accountable Manager:</i>
<i>Location:</i>	<i>Date:</i>
